

ERTIGA

HYBRID

UP YOUR RIDE

STYLISH EXTERIOR

Strong and Robust Character

From the new front grille, the vehicle's bold and distinctive visage heralds your approach with dynamic elegance, attracting admiring looks wherever you go.

With its aerodynamic body and sleek, flowing lines, the Ertiga carries you to your destination in real style.

STYLISH INTERIOR

Class Above Interior Quality

The Ertiga provides comfortable seating for up to seven people. The seats are arranged in three rows and can be easily reconfigured to suit the needs of the moment, whether you're carrying your family and friends, recreational gear, or other bulky items. Whenever your seating needs change, the Ertiga offers a simple, practical solution.

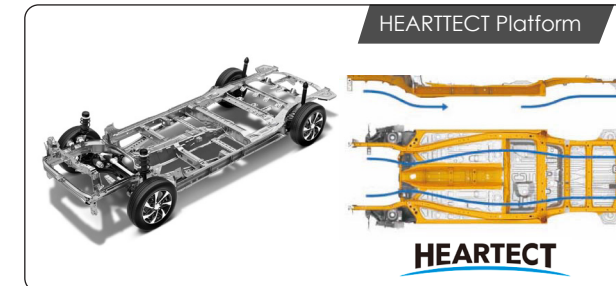

PERFORMANCE

Fuel efficient K15B engine with Suzuki's Hybrid technology.

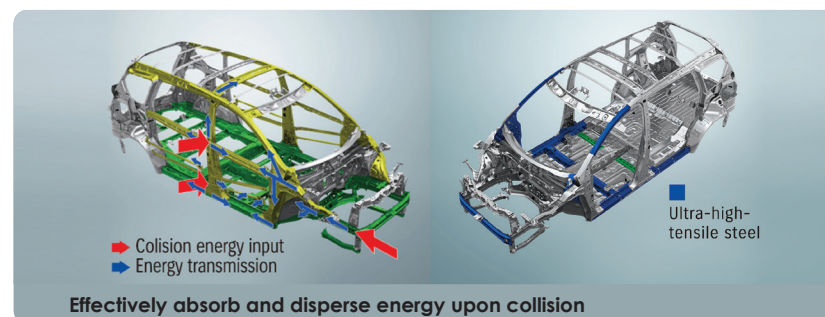

The Hybrid system recharges the battery with electricity generated by deceleration energy, stops unnecessary power generation during cruising, and reduces engine load during fuel-consuming standing starts and acceleration. It saves fuel while delivering spirited response.

In addition, it comes with Engine Auto Stop Start System (EASS) which automatically turns off engine when the vehicle stops, and electric motor smoothly and silently restarts the engine when you press the accelerator pedal, further improving fuel economy and reducing emissions.

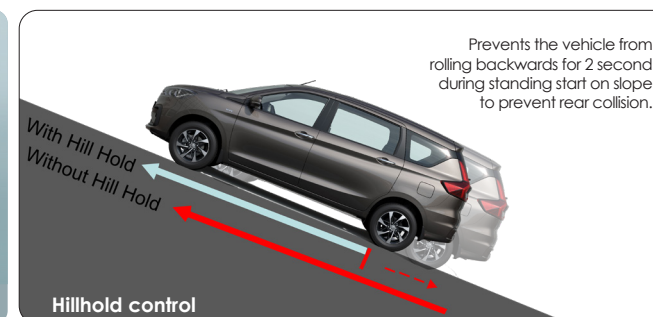

- Disperses energy more efficiently for greater collision safety
- Lighter weight contributes to lower fuel consumption.
- Reduce noise and vibration
- Improve driving dynamics

SAFETY AND SECURITY

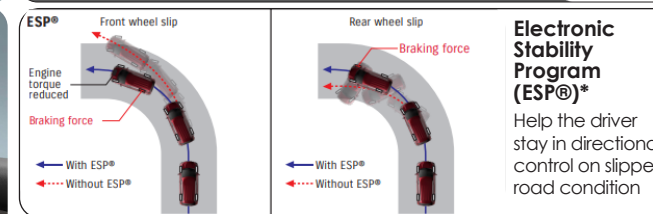

Effectively absorb and disperse energy upon collision

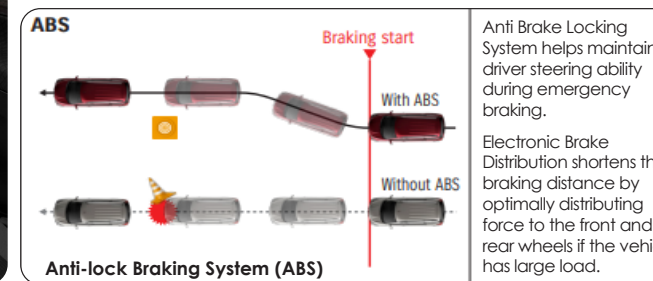

Hillhold control

Effectively absorb and disperse energy upon collision

Electronic Stability Program (ESP)*
Help the driver stay in directional control on slippery road condition

Anti-lock Braking System (ABS)

Pedestrian injury mitigating body
Helps mitigate head and leg injury in the event of a collision with Pedestrian

Door Activated Security Alarm provides reassurance when parking at night or deserted parking lots.

Immobilizer
preventing thefts carried out using duplicate keys.
